

# FLORAL JELLY

By CarrieJoy

## TO MAKE FLORAL TEA

Fill a 1/2-gallon Mason jar with flower blossoms.  
Pour 4 cups of boiling water over the flowers.  
Allow this to sit overnight.  
In the morning, use cheesecloth to strain the tea.

## .....INGREDIENTS.....

4 cups sugar

6 tbsp pectin powder

1 tsp butter

4 cups Floral Tea

2 tbsp lemon juice

## TO MAKE JELLY

Add tea, pectin, lemon juice and butter to a stockpot and bring to a boil.  
Stir constantly.

Add the sugar all at once and return to a boil for 1 minute.

Remove from heat and scrape off any foam from the top.

Ladle the jelly into sterilized pint-size jars, leaving 1/4 inch of headspace.

Process the jars in a boiling water canner for 5 minutes.
